

## Müle - Kitchen Table

Inspired by the Swiss designer, Jakob Müller, The Müle table is elegant and sleek. The double splayed tapered legs are tenoned into a solid base onto which the table top is attached. The bread board ends and wood grain hint at a traditional past, while the clean lines and form give it a contemporary aesthetic. An oil and wax finish creates a timeless look that will patina with age.

Dimensions: H: 34.5" W: 16" D: 18"

Materials: Ash, torrefied ash, hickory, oak and Wathena Walnut (pictured)

Finish: Oil and wax (pictured)
